

Program on Retirement To Continue

Another in the series of "Pre-Retirement Planning" programs being sponsored by the Torrance Committee on Aging will be held tomorrow evening at 7:30 at the Torrance Recreation Center. "Estate Planning, Wills, and Inheritance Tax" will be discussed by Rulon W. Gregory, trust officer of the Crocker-Citizens National Bank. Dr. Donald A. MacThee, associate professor of history at Palos Verdes State College, will be moderator. The programs are designed for people about to retire, or for persons who already have retired. There is no charge for admission. Programs are scheduled to end at 9:30. A question-and-answer period is planned.

Topic Announced

South Bay Harbor Section of the Institute of Electrical and Electronic Engineers will meet Tuesday, April 13, at the Space Technology Laboratories cafeteria, One Space Park, Redondo Beach. Paul W. Klipsch, president of Klipsch Associates of Los Angeles, will speak on "Medieval to Modern Loudspeakers." Klipsch will demonstrate the newest loudspeakers and discuss the history of loudspeakers from medieval response curves to the modern, electronic loudspeakers. A veteran of World War II, Klipsch is a fellow of the Audio Engineering Society and a senior member of the Institute of Electrical and Electronic Engineers. He is listed in "Who's Who in Engineering."

Basketball Game

Tartars To Ride Donkeys

Torrance High's 1964-65 basketball team — runner-up in the CIF "AA" division — will make their last playing appearance tomorrow evening in the THS boys' gymnasium. The varsity five, sitting astride donkey, will challenge a faculty team in the funny game of donkey basketball. Proceeds from the contest will be used to finance the Junior-Senior Prom. Torrance stars who will play their last basketball game on the back of a donkey include Bob Brennan, the all-Pioneer League selection for most valuable player honors, and Walt Hale, an all-CIF second team selection. Tickets will be available at the door. Admission is \$1 for adults and 50 cents for children. Students may purchase 75-cent tickets at the door or in the Torrance High student activities office.

Principal

Cites Good Citizenship

More than 550 students at North High have been rated "excellent citizens" by their teachers, according to Dr. Richard Guengerich, principal. "An excellent citizen is one who assumes responsibility, takes an active part in class or in an activity, and sincerely tries to make North High a school we can be proud of." Mrs. Melvina Kovinick, assistant principal for pupil personnel, said.
